JAN DERK HAALBOOM Born in Lunteren, a quaint village in central Netherlands, on the 1st day of January 1915; died on Friday, the 26th day of October, at St. Mary's Hospital in Kitchener, in his 93rd year, predeceased by his Austrian-born wife, Marianne (Allmaier). Beloved father of Richard (Jean) in Kitchener; Barbara Parkin (Keith-deceased) in
Hamilton; Paul (Dianne Russell) in Lynden; and Lorenz (Pauline) in Winnipeg. Fondly remembered as Opa by his grandchildren, namely Erijka, Ariana, Karen (Milan), Kathy, (Chris), Derek (Rachel), Adam (Rachael), Bethany, Collin, Brad, Ian (Krystal), Anna-Marie, Nadine; and by his great-grandchildren, namely Marianne, Tate, Emma, Tyler, Tessa, Carter, Madeleine, and Charlotte. Jan Derk lived an eventful and complete life. At age 17, he had to take charge of his father's coal business in Holland. During the war years he was an active member of the Dutch Resistance, helping to hide fellow Dutchmen, for which he was awarded the Dutch government Medal of Freedom. He also aided the escape of Allied soldiers across the Rhine River, for which he was given recognition by General Eisenhower and by the British government. The contradictory turmoil and routine of post-war life in Holland made him and Marianne pull up stakes and move to Ontario in 1951; first to the Sarnia area where the family lived in Petrolia, and he worked as a millwright at what is now Polysar long enough to earn enough money to buy a farm south of Mount Forest in 1958. He converted the farm into a broiler chicken business; retired at a relatively young age and moved to the Kitchener-Waterloo area where he enjoyed the intricacies of his computers and his growing family of friends, in-laws and grandchildren. Throughout his life, uppermost in his mind and spirit, was his membership and participation in congregations of the Christian Reformed Church and his daily journey through various passages of the Bible. Many thanks to all his church friends who kept an eye on him and who gave him company, especially to Pastor Bernard De Jonge. A very special Thank You to nephew Teunis and his wife Anne Haalboom, both of whom unabatedly provided Jan Derk with encouragement, support and companionship; and to Christine Lagrosas, who was his irreplaceable caregiver during the last difficult months of his life. Not to be forgotten is the special medical care given to him by his family doctor, Dr. Pannozzo and by Dr. Spanglet. The emergency nursing staff and doctors at Grand River Hospital and St. Mary's Hospital in Kitchener are also thanked for their attention to his medical needs. At the request of Jan Derk, there will be no visitation. Interment will be attended by the family. The Community Christian Reformed Church located at 1275 Bleams Rd. in Kitchener will hold a service in his memory on Saturday, the 3rd day of November at 2 p.m. In lieu of flowers, a donation in Jan Derk's memory may be made to Canadian Blood Services or to St. Mary's Hospital Foundation for its Cardiac Care Centre and can be arranged through the Erb & Good Family Funeral Home, 171 King Street South, Waterloo, 519-745-8445 or www.erbgood.com In living memory of Jan Derk, a tree will be planted through the Trees for Learning Program by the funeral home.

CHARLOTTE ELIZABETH TAYLER (nee Williamson) 29 May 1916 - 29 October 2007 Betty passed away after a short illness, in Whitehorse, Yukon, surrounded by family. She was predeceased by her beloved husband, Neale; brother, Ted; and twin sister, Jean (1919). She is survived by her daughter, Anne (Frank); son, Philip; devoted granddaughters, Cindy-Anne Belanger (Chris) and Wendy Tayler (Dave); and four beautiful, much-loved great-granddaughters, Cheylsea, Kaitlynn, Tayler and Mackenzie. She will be remembered by special friends, Pauline Scott, Barbara Cowan, Louise Jamieson, Helen Hughes and Francoise Scafield. Mum undertook her last great adventure in spring of 2007, moving from Toronto "clear across the country" to the Yukon to be close to her daughter and granddaughters. Her "Yukon family" were privileged to be able to share the last months of her life and to care for her in her final days. Mum graduated from Branksome Hall in 1936, where she was Head Girl. She went on to complete a diploma in Teaching and Supervision at U of T School of Nursing (1941). A few years later, after working at Peterborough School of Nursing and Toronto General Hospital, she went into the Bachelor of Science program (Pre-Med) at McGill. She returned home to care for her ailing father, so never had the chance to complete her degree in internal medicine, but still managed to graduate with a BSc in 1948. In 1949, Betty married Neale Tayler (President of WLU, 1978-82). Three years later, they adopted Anne and Philip. She went on to support Neale in his many academic endeavours, first at the University of Toronto, then through his many years at Wilfrid Laurier University. She also took great delight in decorating various homes over the years - she had a true flare for interior decoration. In her last months in the Yukon, she undertook her final such project, and even with failing eyesight could spot a slightly misaligned curtain or a picture off the mark by just a few millimeters. Betty always cherished the many friends she made during her years in nursing, friends from Waterloo and the Wilfrid Laurier community, as well as her connections to Branksome Hall. She also truly enjoyed life at the Claremont Residence, before her move to the Yukon, and felt especially thankful for the support and assistance of Peter Venton, Jim Tait and the Zinken and Lange families. During her brief illness, she was very impressed by the great care and compassion shown by staff at Whitehorse General Hospital. Heartfelt thanks to Eva, Tish, Catherine and Dr. Buchanan and Dr. Breitkreutz; extra special thanks to her Care Aid, Nicole Launay, and to Dr. Kanachowski. In lieu of flowers, please make a donation to the educational institution of your choice in her name. Memorial Service to be held at Whitehorse United Church, 6th November at 3 p.m. Graveside service at Mount Pleasant Cemetery in Toronto, open to friends, on 13th November 2007 at 2 p.m. Reception to follow.

Loving son of Patricia and the late John Conrad MacNeil; brother of Byrdena, Derek and Kyle; father of Lochlain; loving uncle of Max, Maja, Scott and Ailicen. Sean suffered from a congenital heart condition which required many surgeries throughout his life, the first when only one day old. Human innovation allowed Sean to survive 33 years and to bring his son Lochlain into this world. His final struggle ended with a leading edge surgery: a mechanical LVAD was installed on Sean's heart to assist with the heart function. The surgery in itself was a success; however, complications following the surgery led to a cascade of problems which eventually caused the remaining function of Sean's heart to give out. Sean had a unique outlook on life which allowed him to stand out in a crowd. Sean would feel some resolve in the fact that his sacrifice has advanced this field of medical science, allowing him to stand out in the crowd one last time. competing and unafraid to take chances, Charlie commanded the respect and affection of many who met him on the field and in the boardroom. Born in 1925 in Cooksville to Carlo and Elena Pavanel, who had emigrated from Treviso, Italy, Charles was the youngest of seven children. From the age of nine he was drawn time and again to the Credit Valley Golf Course, where he learned the game first as a caddie and later as a talented and dedicated player. He also showed great skill as a running back for the Port Credit High School football team. It was at high school that he met his future wife, Mary McDermott, who was a member of the cheering squad. They were married on April 28, 1951, in a small ceremony at the Port Credit Presbyterian Church, and went on to have five children. During the Second World War, Charlie served in the Navy. He graduated in Chemical Engineering from the University of Toronto in 1951. Right out of school he was hired by B.F. Goodrich to work in Waterloo as part of the Chemical Division's sales team, and some time later became one of the firm's leading managers. After settling in he joined Rockway Golf Club and later Westmount Golf and Country Club, where he laid low the competition for more than three decades, both on the golf course and, for several years, the curling rink. A 3-handicapper - with a best score of 69 on par 72 - Charlie took great pleasure in playing many of the top courses in the world, and always appreciated the game for opening innumerable doors both in business and friendship. He was also a member of the KW Racquet Club in Kitchener, the Mississauga Golf Club, the Tournament Players Club in Dearborn, Michigan, and the Vines Golf Club in Fort Myers, Florida. He also belonged to the local Gyro Club. In 1974, Charlie enjoyed immediate success with the founding of Genesta Manufacturing, which was begun with the help of Mary, who ran the office out of their dining room for the first year. Hemitite Manufacturing was added in 1978, and in 1987, Genesta, Hemitite and other interests became Pavaco Plastics Inc. Under Charlie's leadership, the company garnered several awards, and introduced many industry firsts in the lighting and automotive sectors. Charlie was devastated following the death of Mary on May 7, 1986, but a year later had the good fortune to meet Vivian McLean, and after 12 happy years they were married on July 13, 2000. Charlie is survived by Vivian; his children, Ellen, John, Jane and Joanne (Alex predeceased him on December 20, 2006) and their spouses Wendy, Clare, Sami, Mark and Mike; his grandchildren, Adam, Leah, Kate, Evan, Hailie, Charlie, Nicholas, Hannah, May, Jack, Liam, Maddie, Callum, Hannah, Amy and Elizabeth; his brother and sister-in-law, Bruni and Mary and his sister-in-law, Mary Kay. Charlie is missed by Vivian's children, Wendy, Susan, Gary and Patrick. He is lovingly remembered for being a generous and upright father, a fun-loving uncle, an excellent companion to his friends, and a good provider for all who were fortunate to enjoy the charm and embrace of his company. A memorial celebration of Charlie's life will be held at Del Dente's at The Charcoal Steakhouse, 2980 King St. East, Kitchener on Sunday, December 2, 2007 from 1-4 p.m. A private family service at Charles' residence was officiated by Rev. Walter McLean. As an expression of your sympathy, a donation may be made to the Canadian Diabetes Association, 14 Irvin Street, Suite 1, Kitchener, ON, N2H 1K8.

SHANTZ, Randy - It is with heavy hearts we learn of the passing of our brother, father and grandfather, Randy. He was from a family of four children, brought into this world by loving parents, Jacqueline (Gebhardt) and Laverne Shantz (both deceased). Randy's brother, Dave and sisters, Sheree and Connie, remember many fun times spent together while growing up. Family was important to Randy and we had many laughs while gathering with extended family. One of our fondest memories is the time spent every summer at Wasaga Beach. We have mourned the loss of our brother and now mourn his passing. Randy was a hard worker and enjoyed his career as an electrician. Mom and Dad were proud of his accomplishments. Sadly, Randy never got to know his grandchildren, Mitchell and Allison. Randy is survived by his son, Craig Shantz (Tammy); grandchildren, Mitchell and Allison; his brother, Dave Shantz; sister, Sheree (Tom) Niesen; sister, Connie (Barry) Waito; nine nieces and nephews and many cousins. In death, as in life Randy, we will remember you. May you rest in peace.

Going deep into the woods far away from civilization to hunt and spend time with his Dad, Mark and friends, was an annual highlight. Rob has given the gift of life to others through the donation of his organs. Thanks for teaching us how to live and love with all our hearts Rob. A private service has been held for family and close friends to celebrate Rob's life. In lieu of flowers, donations may be made to the CNIB through Henry Walser Funeral Home, 519-749-8467.
